Our pups are priced at \$1,000.00 ea
24 month guarantee on hip and eyes.
Born on February 13th ready to go on April 10th
5 males 5 females all chocolate

Some of her pedigree

Porter is EIC Clear, CNM Clear, PRA Clear, OFA Good, and CERF Clear. Porter received his Senior Hunter Title at 19 months and his Master Hunter at 30 months. Porter has a Derby Win, 3 Quall 3rds, 1 Quall 2nd, 1 Amateur 4th, an Open 3rd, and numerous Open/Am/Quall/Derby Jams. Porter received a CPR (Certified Pointing Retriever) title and a MPR (Master) on the same weekend, 5 weeks into official pointing training. He received his GMPR (Grand Master) two weeks later. He is now a 3XGMPR.

You'll be hard-pressed to find an all-around chocolate Labrador retriever and associated pedigree as well as Porter's. 29 dogs in the five generation pedigree have either an AFC, FC, or both. Porter's father is FC Nan-Dool Elwood Blues and his mother is Sommitt's "Little Rascal" MH. Some of Porter's grandparents and great grandparents include: FC AFC River Oaks Way-Da-Go Rocky, NFC AFC Storm's Riptide Star, NAFC FC AFC Ebonstar Lean Mac, FC AFC Carrolls Black Velvet, among many others. You just won't find that type of pedigree in a chocolate male.

FC AFC Cuda's Blue Ryder MH

Ryder (now deceased) was a dynamic, handsome and statuesque 85 pound chocolate Labrador retriever who has reached the pinnacle of success for Labradors of all colors in both the field trial and hunt test worlds. Perhaps his greatest attribute is his versatility as exemplified by his activities in the summer of 2003. In late June he was a Finalist in the 2003 National Amateur Retriever Club Championship Stake. A week later he was the test dog for the ESPN Great Outdoor Games Retriever Series. The next weekend he completed his sixth straight Master Hunter Qualification and earned the Master Hunter title. The

week following Ryder won the Open All-Age Stake at the Sacramento Valley Retriever Club's field trial and gained his Field Championship title

In addition to his success as a competitor, he is a superb hunting companion with an outstanding dove, duck, goose and pheasant record. He is a loving and gentle pet who lives in our home. As a stud dog he carries and throws his warm and balanced personality of his sire FC AFC CFC CAFC Barracuda Blue MH.

His major accomplishments:

- Field Champion, Amateur Field Champion and Master Hunter (Second chocolate in history to obtain the three AKC field titles, the first being his sire Barracuda blue)
- Finalist in 2003 National Amateur Retriever Championship (first chocolate finalist)
- Qualified for 2003 National Open Retriever Championship
- Qualified for 2002, 2003, 2004 National Amateur Retriever Championships
- Junior Double-Header (Qualifying and Derby win on same weekend)
- National Derby list
- Double-Header win (only chocolate with this accomplishment)
- Qualified for the 2004 National Open and the 2005 National Amateur
- Amateur trained and handled to all titles and points

Ryder is the son of FC AFC CFC CAFC Barracuda Blue MN, the most titled chocolate in history. His dam Higher Grounds Helen Keller (Black) had numerous placing in Open stakes in a limited number of trials and is a littermate to NFC AFC Storm's Riptide Star. Ryder represents a remarkable black and chocolate gene pool.
